Life Before Life

A feral child is a human child who has lived isolated from human contact from a very young age, and so has had little or no experience of human care, behavior or human language. There are several confirmed cases and other speculative ones. Feral children may have experienced severe abuse or trauma before being abandoned or running away. They are sometimes the subjects of folklore and legends, typically portrayed as having been raised by animals.

Feral child - Wikipedia

We have lived once, and it may have been good or bad, if it was either I would still love to think that I get to either do it again if it was good and make up for mistakes if it was bad. It's fascinating, imagine if you have lived another life as someone famous, or great or anything, but you don't remember and all the hints of de ja vu you get ...

One of the most intrinsic beliefs of reincarnation is that most of us have lived many lives before, and sometimes we can actually remember these past lives. These past lives and past 'selves' we tend to identify with as extensions of ourselves and our egos. However, as Sol elaborated in a previous article on reincarnation:

Past Lives: 11 Signs Your Soul Has Reincarnated Many Times

We Lived Before We Were Born . Before we were born on the earth we existed as spirits and lived in a spirit world in the presence of God, our Eternal Father. We developed talents and gained knowledge. We created friendships and made promises. We also had our agency to choose.

We All Lived a Premortal Life Before Coming to Earth

Children, or minors, don't have the full legal capacity of adults. Typically, minors aren't granted the rights of adults until they reach the age of 18, although this varies from state to state (19 in Alabama and Nebraska, 21 in Mississippi). Because children are still developing, both physically and mentally, they aren't considered capable of handling the same rights as mature adults.

What are the Legal Rights of Children? - FindLaw

Boys would soon take up their father's trade or leave home to become an apprentice. Girls learned to manage a house and were expected to marry young, probably by the time they were 16 and surely before they were 20. A child's life in colonial America would differ greatly, depending on the time and place in which the child lived.
