Spirit West Rapid Refinish Minor Body and Bumper Repair, located in Ballwin, MO, has been in operation for nearly 40 years providing quality collision repair services. Often times Spirit West found that minor repairs were taking longer than necessary due to the volume of auto collision repairs that required extensive collision repair work and insurance claims processes.

Collision Repair Questions and Answers Ballwin MO

The first step in painting and refinishing a vehicle that is being repaired is to select the exact colour of paint. There are a few common ways of doing this, ranging from comparing the paint on the vehicle to a sample of dried paint, to doing the same with the help of computerized databases and a tool that emulates direct sunlight, to using a special camera that digitally scans and identifies ...
