14 utilizes the same great Special Teams engine that EA Sports used in previous years. Use the right analog stick to set up your power and accuracy, pulling it back to put the meter in motion, then pushing it forward when you're ready to go. NOTE: Push-button controls are also available, if you prefer to go that way.

don't run the 3-4, that
playbook is shite. Run
the 3-3-5 or the 4-3.
