Nutrition Handbook For Nursing Practice : Nursing2019

Book Review Nutrition Handbook for Nursing Practice Susan G. Dudek One very welcome aspect of
this book is its avoidance of value judgements. Nutrition texts can easily promote punitive attitudes
towards food, especially in the relationship between food and health promotion. Here, a more open,
understanding approach is adopted.

Nutrition handbook for nursing practice - PDF Free Download

A strong foundation in nutrition is essential for effective nursing practice. Reflecting the latest
