## **Paying The Price Carers Poverty**

Paying the Price: How Poverty Wages Undermine Home Care in America. Low wages make it increasingly difficult to recruit and retain enough home care aides to meet rising demand. The average hourly pay for a home care aide is just \$9.61 per hour. A full-time home care worker earns \$384.40 a week before taxes, or \$1,652.92

reduction, and to end the burden of debt which means that low-income countries must pay out \$100 million every day to their creditors. For rich-country donors, making this finance available is not simply an act of charity: it is a both a moral

## **Paying the Price - International Budget Partnership**

Low wages keep people in poverty. If the harder you worked, the more money you earned, then export factory workers would be among the richest people in the world. But workers in export factories live in poverty. Employers pay workers as little as they can and lobby governments to keep the minimum wage as low as possible.
