Us History Guide To The

Military History and Museums Military History. The United States armed forces date to 1775, when America needed a defense force to protect the original 13 colonies from a British invasion. Today, there are five branches: The United States Army is the oldest (established June 14, 1775) and largest of the five branches. Soldiers are responsible for performing land-based military operations.

What's inside the National Museum of American History? Much beloved as a source for all things Americana, the museum features the most American artifact of all: the Star-Spangled Banner Flag . The flag flew above Fort McHenry in Baltimore during the War of 1812, inspiring Francis Scott Key to write our national anthem and now awaits your visit in a permanent exhibition.
